If the Parish Council was to adopt this kiosk, as the kiosk is considered grade II listed, BT asks that the Parish Council makes contact with Newcastle-under-Lyme District Council Planning Department ([planningapplications@newcastle-staffs.gov.uk](mailto:planningapplications@newcastle-staffs.gov.uk)) to advise them of the intention to adopt and to find out if any planning consents are needed to allow the adoption to proceed or for any plans the Parish Council may have for the kiosk. BT also advises that like-for-like repairs, repainting the kiosk in the same colour and works inside the kiosk are unlikely to need planning consent and have referred the Parish Councillors to this link which Members will find helpful: [Consent for Adapting K6 Telephone Kiosks | Historic England](#)
